## News & Notes

### Six Stages

We shoot six stages at Tusco. A few people have told us that they drive a good distance to shoot at Tusco and would like to shoot as much as possible.

Obviously we only have room for five shooting bays. So what we do is shoot the first stage you start on twice. Consider it a warm up stage. Only five stages will be scored. You can take your best time on your first stage. If you don't want to shoot it twice you do not have to. This would provide more shooting for our shooters.

### New SASS Magazine

With the new release of the SASS Quarterly Cowboy Chronicle, I once again would like to start collecting any unwanted issues of the magazine. We will use these for our promotional events, like our Tusco Long Riders' Day at Kames Sports. Please either black out or cut off your name and address or I will do it before they are passed out. Thank you!

### Facebook Page

When you make a post about Tusco or share pictures on Facebook, include #TuscoLongRiders. Let everyone see what we are all about.

### *A little bit about us*

Jim & I have always wanted a family of our own. Although we love our 5 fur kids, we long for a baby. After learning we were unable to conceive a child, Jim and I decided to pursue the adoption of a newborn. Adoption costs are astronomical (anywhere from 25k to 50k or higher) and although we were able to raise some with our savings, GoFundMe page, and church donations, we are still lacking the funds needed to apply for a match. We decided to take our love of crafting and open a side business to hopefully raise some more funds for our future family. Designs By Scamper is a tribute to our pup Scamper who passed away in 2015 from cancer.
