### **Guns For Sale:**

Deterioration of my shoulder joints and arthritis in my wrists and hands has forced me to shoot less often, and I am reducing my collection of guns, so these are up for sale.

#### **1. A PAIR of Cimarron/Pietta 7-1/2" El Malo GWII Revolvers, 38/357, with Octagonal Barrels**

Marked "Cimarron Firearms Co, Fredericksburg, Texas". "1873 SA Pietta-Italy", & "El Malo .357 Mag"

Coffinmaker went through these revolvers, gave them 11 degree forcing cones, one-position cylinder pins, and tuned the springs and timing, where needed.

They are easy-to-cock, smooth-shooting revolvers.

Very little wear to the bluing and wood, as they were very lightly shot.

Great bores and cylinder chambers.

\$1100 Face-to-Face if yer an Ohio Resident -- NO FFL or Tax or shipping fees

**2. An almost brand-new PAIR of Stainless Steel Ruger New Vaquero Bisleys in 45 with Jimmy Spurs Race Package, On-Target Slip-On Brass Sights and Texas Grips Ebony Checkered Grips.** Almost Brand New -- Only 20 rounds through each gun. ## Pistols

**GLOCK** MVB920 **G22-G3 40mm** Pistol Matte Black  
USED Glock G22-Generation 3, chambered in 40mm. Made in Austria & Lifetime warranty! This is a spectacular find. It shows some signs of being fired a few times, but it mostly looks like it was carried [and based on the amount of lint inside the barrel] and not cleaned frequently. The only significant wear I could find was on the slide release. With an adjustable rear sight. 10 MAR 2017 **\$425.00**

The Model 24 is a true hammerless gun, as opposed to having concealed hammers like most double guns, since it is striker fired. It was produced only as a field grade gun with blued receiver and barrels, wide 7/16" raised solid rib, smooth black walnut stock with lacquer finish, double triggers, and spring powered extractors that elevates the shells when the gun is opened. The forged steel receiver body of the Model 24 is rounded. The Model 24 was designed with two lumps, one centered beneath each barrel, leaving a tunnel of space between the two lumps. It has a clean breech face and is held closed by a single underbolt that engages a notch in the double barrel lumps. In the area between the 24's dual lumps is a cocking slide and the extractor. The Model 24 is about as wide through the breech and receiver as a SXS gun can be. The weight is about 7-1/2 pounds. It is a 12 Ga gun with 30" barrels. It measures 46-1/2" in overall length and has a 14-1/4" length of pull. Approximate drop is 1-1/2" at comb and 2-1/2" at heel. **\$500**

## News & Notes

### Six Stages

We shoot six stages at Tusco. A few people have told us that they drive a good distance to shoot at Tusco and would like to shoot as much as possible.

Obviously we only have room for five shooting bays. So what we do is shoot the first stage you start on twice. Consider it a warm up stage. Only five stages will be scored. You can take your best time on your first stage. If you don't want to shoot it twice you do not have to. This would provide more shooting for our shooters.

### New SASS Magazine

With the new release of the SASS Quarterly Cowboy Chronicle, I once again would like to start collecting any unwanted issues of the magazine. We will use these for our promotional events, like our Tusco Long Riders' Day at Kames Sports. Please either black out or cut off your name and address or I will do it before they are passed out. Thank you!

### Facebook Page

When you make a post about Tusco or share pictures on Facebook, include #TuscoLongRiders. Let everyone see what we are all about.

## News & Notes

### New Shooters Shoot for Free at Tusco

### Cowboy Swap Meet at Monthly Shoots

As a reminder, feel free to bring your old Cowboy Gear, Guns and Equipment to sell at our monthly shoots. It's a good opportunity to sell some of your unwanted stuff to your fellow shooters. Your items are your responsibility.

### Pre-Paid Shoots

Looking for that perfect Gift for your Cowboy Friends and Family? How about a Pre-paid Shoot to a Tusco Monthly Match. They cost \$10.00 each at a shoot or they can be mailed for \$10.50. ### *A little bit about us*

Jim & I have always wanted a family of our own. Although we love our 5 fur kids, we long for a baby. After learning we were unable to conceive a child, Jim and I decided to pursue the adoption of a newborn. Adoption costs are astronomical (anywhere from 25k to 50k or higher) and although we were able to raise some with our savings, GoFundMe page, and church donations, we are still lacking the funds needed to apply for a match. We decided to take our love of crafting and open a side business to hopefully raise some more funds for our future family. Designs By Scamper is a tribute to our pup Scamper who passed away in 2015 from cancer.
