High Noon at Tusco 2022 -- Important Information

Howdy All,

Below is a list important notes about High Noon at Tusco 2022. Please read carefully.

Range Entrance

There is an entrance gate at the Tusco Rifle Club. When you pull up to the gate, there is a button, just push it and the gate will raise (if it's not already open). If you have a camper please use the other driveway. It is just past the Gate House. It should be open by 8am Thursday morning (September 29th).

Showers

There is showers available at the Trap Range. The Trap Range is just behind the Main Building/Banquet Hall when you first pull in. Ask around, someone will point you in the right direction. Please if you use the Showers, KEEP IT CLEAN!

Rifle Club Cameras

Just want to let everyone know, the Rifle Club has security cameras in and around the Main Building/Banquet Hall. Just wanted to make everyone aware.

Location of the Cowboy Range

Once you pull into the range, follow the driveway to the left. When it splits off, stay to the left, go up the hill.

Parking

We have approx. 85 registered shooters. Please keep that in mind when parking. You may park in the grass up by the range. Do not block the little drive that will be roped off leading into the parking area. Please try not to tear up the grass. Also, please leave the handicap parking open for those who need it. If the handicap parking is full and you need it, please find a spot close to the range/clubhouse. Overflow parking will be at the bottom of the hill.

Camping

We typically have quite a few campers/motorhomes staying on the range. **PLEASE BE COURTEOUS!** Do not take any more room than you need. Please no generators between 11pm-6am. **If you need to run a generator please park to the right side of the entrance gate.** Electric hook-ups are first come, first served. Keep in mind the electric is very minimal. It will not run the whole camper. There is no refunds if you do not get a hookup. **Camping will not be allowed before Thursday, September 29th at 8am. Please see Prairie Dawg, Stone Creek Drifter, or Angie Oakley if you need assistance at the range.**

The Tusco Rifle Club has asked that any campers/motorhomes use the far entrance when entering the range. (Not the entrance with the Gate House). The chain should be down by Thursday 8am. The Gate House is pretty narrow and would be easier using the other drive.

If you park on the pavement, please place wood under your jack stands as to not damage the pavement.

Cowboy Church

Cowboy Church will be held on Stage 2, sponsored by The Lord's Posse, on the hill Sunday Morning at 8am sharp for those who wish to attend. One Shot Al will lead our service. The service will take approximately 20-25 minutes.

Alcohol

The Tusco Rifle Club **does not allow** any alcohol on Club Property. They provide us with a terrific place to shoot, and a place for our dinner, **PLEASE OBEY THE RULES.**

Main Match Awards

The Awards will be given out as soon as the Range is cleared on Sunday after the Main Match. Once we have all the targets and props put away we will start the awards ceremony. Don't go far. **Please lend a hand.**

Many hands make light work.

Like recent years, if there is 1-5 in a category (as of Sept 15th), we will hand out Top 3 in that category, 6-7 in a category (as of Sept 15th), we will hand out Top 4 in that category. If there is 8 or more (as of Sept 15th) we will hand out Top 5 in that category. There will also be Top Men's and Women's Awards for the match. Clean Match winners will receive one of our coveted High Noon at Tusco Clean Match Pins!

High Noon Questionnaires

After High Noon I will be sending out an email asking for feedback. So during the match, keep notes and respond to the email. We love to hear what you think of High Noon. We take the feedback seriously and make changes where necessary.

Saturday Night Banquet

Our Saturday Night Banquet Dinner will be catered by Hog Heaven. There will be Pulled Pork, Chicken, and Beef Brisket, along with Baked Beans, Coleslaw, Cheesy Potatoes and Salad. There will also be cakes and cookies for dessert.

We will be having our banquet outside up on the range. **Please bring a chair.** The weather is looking perfect as of now. Hog Heaven will setup in the clubhouse and we will have 2-3 servers. You will go in one door, your plate will get loaded, and you will exit the other door. Drinks will be in the fridge. Dinner will be much like how OVV handles their dinner. **Again, No alcohol is allowed on the Rifle Club Property!**

The Model 24 is a true hammerless gun, as opposed to having concealed hammers like most double guns, since it is striker fired. It was produced only as a field grade gun with blued receiver and barrels, wide 7/16" raised solid rib, smooth black walnut stock with lacquer finish, double triggers, and spring powered extractors that elevates the shells when the gun is opened. The forged steel receiver body of the Model 24 is rounded. The Model 24 was designed with two lumps, one centered beneath each barrel, leaving a tunnel of space between the two lumps. It has a clean breech face and is held closed by a single underbolt that engages a notch in the double barrel lumps. In the area between the 24's dual lumps is a cocking slide and the extractor. The Model 24 is about as wide through the breech and receiver as a SXS gun can be. The weight is about 7-1/2 pounds. It is a 12 Ga gun with 30" barrels. It measures 46-1/2" in overall length and has a 14-1/4" length of pull. Approximate drop is 1-1/2" at comb and 2-1/2" at heel. **\$500**

It is a 12ga shotgun which weighs about 7-1/2 pounds, measures 46-1/2" in overall length and has a 14-1/4" length of pull. Approximate drop is 1-1/2" at comb and 2-1/2" at heel. **\$500**

Six Stages

We shoot six stages at Tusco. A few people have told us that they drive a good distance to shoot at Tusco and would like to shoot as much as possible.

Obviously we only have room for five shooting bays. So what we do is shoot the first stage you start on twice. Consider it a warm up stage. Only five stages will be scored. You can take your best time on your first stage. If you don't want to shoot it twice you do not have to. This would provide more shooting for our shooters.

New SASS Magazine

With the new release of the SASS Quarterly Cowboy Chronicle, I once again would like to start collecting any unwanted issues of the magazine. We will use these for our promotional events, like our Tusco Long Riders' Day at Kames Sports. Please either black out or cut off your name and address or I will do it before they are passed out. Thank you!

Facebook Page

When you make a post about Tusco or share pictures on Facebook, include #TuscoLongRiders. Let everyone see what we are all about.

New Shooters Shoot for Free at Tusco

The Tusco Long Riders will be offering FREE SHOOTS to ALL FIRST TIME SHOOTERS AT TUSCO. This is ONLY for a shooter's first ever shoot at Tusco. (*this is only for monthly matches, excluding High Noon 3-day Shoot in October, and the Charity Shoot in November.)

Cowboy Swap Meet at Monthly Shoots

As a reminder, feel free to bring your old Cowboy Gear, Guns and Equipment to sell at our monthly shoots. It's a good opportunity to sell some of your unwanted stuff to your fellow shooters. Your items are your responsibility.

Pre-Paid Shoots

Looking for that perfect Gift for your Cowboy Friends and Family? How about a Pre-paid Shoot to a Tusco Monthly Match. They cost \$10.00 each at a shoot or they can be mailed for \$10.50. Contact Buckaroo Bubba at pittfandwr@aol.com or 330-348-5637 if you would like to purchase them.

Help Wanted at Tusco

If you are available to help set up target stands/props before our shoots it would be greatly appreciated.
