March 9th, 2013 – North Canton, Ohio – Three time National Champion, and two time World Champion Frontiersman, Split Rail, SASS #24707, along with Tusco Long Riders' President Buckaroo Bubba, members Six Gun Seamus, SASS #94002, and Sandy Creek Jake, SASS #85546, were on hand at Kame's Sports in North Canton, Ohio to meet and greet with customers and folks interested in Cowboy Action Shooting. Our goal on this day was to promote our club, the Single Action Shooting Society, and the sport of Cowboy Action Shooting. Two tables of displayed items helped us show off our sport. There were two videos being played along with digital photos of our Cowboys and Cowgirls in action. The Firearms

that we use were also on display to show off which guns are acceptable in the sport. Thanks to SASS we were able to pass out Cowboy Chronicles, SASS Registration forms, flyers about SASS, decals and pins. Split Rail brought a nice display of some of his major awards he was won over the last three years, highlighted by his Frontiersman World Championship Trophy.

Numerous customers stopped by to see what our sport is all about. We enjoyed sharing with them the background of the sport, how it works, and answering any questions they had. There were even a few kids who wanted their picture taken with the "Cowboys." They walked away with a SASS Pin, Decal and a smile. In addition to the customers, we had a nice number of current shooters stop by to visit with us and check out Kame's Sports.

The relationship between the Tusco Long Riders and Kame's Sports began in 2012 as we began looking for sponsors for our annual

After our initial meeting with Kame's, we began to brainstorm on how Kame's Sports and the Tusco Long Riders could help each other. Since then, Kame's has become a permanent club sponsor. One of the results of our brainstorming over the last year and a half was to have a Tusco Long Riders' Day at Kame's. We decided it would be a great op-

The day was a smashing success. The Tusco Long Riders greatly appreciate the support we receive from Kame's Sports and look forward to working with them for a long time. Kame's loved having us in their store and welcomed us back anytime. Stay tuned for future Tusco Long Riders' Days at Kame's Sports.
