## Robert Duvall Quotes

I've been working on the **High Noon Shooter's Book**, and compiled a huge file of wonderful quotes from his characters. Here's a few of the more interesting ones!

**From *Lonesome Dove* conversations with Lorie Darlin':**

- "The only healthy way to live life is to learn to like all the little everyday things, like a sip of good whiskey in the evening, a soft bed, a glass of buttermilk, or a feisty gentleman like myself."
- "A man who wouldn't cheat for a poke don't want one bad enough."

**From *Lonesome Dove* conversations with Woodrow Call:**

- "It's not dying I'm talking about, it's living."
- "Well the first man comes along that can read Latin is welcome to rob us, far as I'm concerned. I'd like a chance t' shoot at a educated man once in my life."
- "Has it ever occurred to you, Woodrow; that all the work we done was for the bankers? Hell, we killed off everybody made this country interestin'!"
- "Here's to the sunny slopes of long ago."
- "By God, Woodrow; it's been one hell of a party"

**From *Lonesome Dove* conversations with Newt:**

- "Jake's always been a drifter Newt. Any wind can blow him."
- "Jake liked to joke. He didn't like to work. I have exactly those same failings myself."

**From *Lonesome Dove* conversations with Jake Spoon:**

- "A man that will go along with five killin's is taking his leaving awful slow."
- "You know how it works, Jake: you ride with an outlaw, you die with an outlaw. I'm sorry you crossed the line."

**From a *Lonesome Dove* conversation with Dan Suggs:**

- "I'll say this, Suggs; you're the kind of man it's a pleasure to hang. If all you can talk is guff, you can talk it to the Devil."

**From a *Lonesome Dove* conversation with the cowboys on the cattle drive:**

- "What's good for me might not be good for the weak minded."

**From *Open Range* conversations with Charley Waite:**

- "No, just Bluebonnet Spearman. And don't you tell no one. I want to hear you swear an oath now, go on."
- "I aim to kill Baxter and those that done this, and if that marshal gets in the way, I'm gonna kill him too. So you best get your mind right about what's got to be done, Charlie."
- "We come for justice, not vengeance. Now them is two different things."
- "It's a pretty day for making things right."
- "We got a warrant sworn for attempted murder for them that tried to kill the boy who's laying over there at the Doc's, trying to stay alive. Swore out another one for them that murdered the big fella you had in your cell. Only ours ain't writ by no tin star, bought and paid for, Marshal. It's writ by us, and we aim to enforce it."
- "Well, if I'm gonna get killed, I got a hankerin' to soothe my sweet tooth."
- "I meant kill them. Not murder them."
- "You do this, you ain't no different than Poole or Baxter or that gunhand of his that murdered Mose."

**From an *Open Range* conversation with the corrupt Sheriff Poole:**

- "Man's got a right to protect his property and his life, and we ain't lettin' no rancher or his lawman take either."

**From an *Open Range* conversation with Cattle Baron Denton Baxter:**

- "Maybe so, but I'll still be breathin' in another minute."

**From *Open Range* conversations with cattle baron Denton Baxter' Henchmen:**

- Holding up a bottle of chloroform: "Mornin', boys! I brung your breakfast!"
- "One twitch, and you in hell."
- "Didn't do it for you, boy. Just make peace with your bad deeds."

**From an *Open Range* conversation with Doc Barlow:**

- "We'll drink to good health for them that have it coming."

**From an *Open Range* conversation with Button:**

- "A man's trust is a valuable thing, Button. You don't want to lose it for a handful of cards."

**From a *Broken Trail* conversation with Tom Harte:**

- "Livin' out here has changed a lot of things. Suspend the conventions of eastern life. That's probably why you like it so much, Hank. Women plowing land and pannin' for gold. Men sewin' up their own britches, cookin' for themselves. That's well an' find. It's good for the people an' good for the country. But too much? No, sir. Without women an' marriage, wed' all be shot or drunk ourselves to death or died of the clap. No, sir."

**From various *Broken Trail* conversations when one of his companions/crews dies:**

- "We're all travelers in this world. From the sweet grass to the packing house. Birth 'til death. We travel between the eternities."

**From a conversation with Cole Younger in *The Great Northfield Minnesota Raid*:**

- "We'll make this smug Yankee town weep, or we'll blow it to kingdom come!"

Not a cowboy quote, but I Love this one.....

**Robert Duvall as Lieutenant Colonel William "Bill" Kilgore in *Apocalypse Now*:**

- "I love the smell of napalm in the morning....Smelled like... victory."

**GLOCK** MVB920 **G22-G3** **40mm** Pistol **Matte Black**

USED Glock G22-Generation 3, chambered in 40mm. Made in Austria & Lifetime warranty! This is a spectacular find. It shows some signs of being fired a few times, but it mostly looks like it was carried [and based on the amount of lint inside the barrel] and not cleaned frequently. The only significant wear I could find was on the slide release. With an adjustable rear sight. 10 MAR 2017

The forged steel receiver body of the Model 24 is rounded. The Model 24 was designed with two lumps, one centered beneath each barrel, leaving a tunnel of space between the two lumps. It has a clean breech face and is held closed by a single underbolt that engages a notch in the double barrel lumps. In the area between the 24's dual lumps is a cocking slide and the extractor. The Model 24 is about as wide through the breech and receiver as a SXS gun can be. The weight is about 7-1/2 pounds. It is a 12 Ga gun with 30" barrels. It measures 46-1/2" in overall length and has a 14-1/4" length of pull. Approximate drop is 1-1/2" at comb and 2-1/2" at heel. **\$500**

## News & Notes

### Six Stages

We shoot six stages at Tusco. A few people have told us that they drive a good distance to shoot at Tusco and would like to shoot as much as possible.

Obviously we only have room for five shooting bays. So what we do is shoot the first stage you start on twice. Consider it a warm up stage. Only five stages will be scored. You can take your best time on your first stage. If you don't want to shoot it twice you do not have to. This would provide more shooting for our shooters.

### New SASS Magazine

With the new release of the SASS Quarterly Cowboy Chronicle, I once again would like to start collecting any unwanted issues of the magazine. We will use these for our promotional events, like our Tusco Long Riders' Day at Kames Sports. Please either black out or cut off your name and address or I will do it before they are passed out. Thank you!

### Facebook Page

When you make a post about Tusco or share pictures on Facebook, include #TuscoLongRiders. Let everyone see what we are all about.

## News & Notes

### Cowboy Swap Meet at Monthly Shoots

As a reminder, feel free to bring your old Cowboy Gear, Guns and Equipment to sell at our monthly shoots. It's a good opportunity to sell some of your unwanted stuff to your fellow shooters. Your items are your responsibility.

### Pre-Paid Shoots

### *A little bit about us*

Jim & I have always wanted a family of our own. Although we love our 5 fur kids, we long for a baby. After learning we were unable to conceive a child, Jim and I decided to pursue the adoption of a newborn. Adoption costs are astronomical (anywhere from 25k to 50k or higher) and although we were able to raise some with our savings, GoFundMe page, and church donations, we are still lacking the funds needed to apply for a match. We decided to take our love of crafting and open a side business to hopefully raise some more funds for our future family. Designs By Scamper is a tribute to our pup Scamper who passed away in 2015 from cancer.
