

Howdy All,

Below is a list important notes about High Noon at Tusco 2021. Please read carefully.

### **Range Entrance**

There is an entrance gate at the Tusco Rifle Club. When you pull up to the gate, there is a button, just push it and the gate will raise (if it's not already open). If you have a camper it might be easier to use the other driveway. It is just past the Gate House. It should be open by 8am Thursday morning (September 30th). Feel free to use the other driveway.

### **Showers**

There is showers available at the Trap Range. The Trap Range is just behind the Main Building/Banquet Hall when you first pull in. Ask around, someone will point you in the right direction. Please if you use the Showers, KEEP IT CLEAN!

### **Rifle Club Cameras**

Just want to let everyone know, the Rifle Club has security cameras in and around the Main Building/Banquet Hall. Just wanted to make everyone aware.

### **Location of the Cowboy Range**

Once you pull into the range, follow the driveway to the left. When it splits off, stay to the left, go up the hill.

### **Parking**

We have approx. 100 registered shooters. Please keep that in mind when parking. You may park in the grass up by the range. Do not block the little drive that will be roped off leading into the parking area. Please try not to tear up the grass. Also, please leave the handicap parking open for those who need it. If the handicap parking is full and you need it, please find a spot close to the range/clubhouse. Overflow parking will be at the bottom of the hill.

### **Camping**

We typically have quite a few campers/motorhomes staying on the range. **PLEASE BE COURTEOUS!** Do not take any more room than you need. Please no generators between 11pm-6am. **If you need to run a generator please park to the right side of the entrance gate.** Electric hook-ups are first come, first served. Keep in mind the electric is very minimal. It will not run the whole camper. There is no refunds if you do not get a hookup. **Camping will not be allowed before Thursday, September 30th at 8am.**

The Tusco Rifle Club has asked that any campers/motorhomes use the far entrance when entering the range. (Not the entrance with the Gate House). The chain should be down by Thursday 8am. The Gate House is pretty narrow and would be easier using the other drive.

If you park on the pavement, please place wood under your jack stands as to not damage the pavement.

### **Cowboy Church**

Cowboy Church will be held on Stage 2, sponsored by The Lord's Posse, on the hill Sunday Morning at 8am sharp for those who wish to attend. One Shot AI will lead our service. The service will take approximately 20-25 minutes.

## **Alcohol**

The Tusco Rifle Club **does not allow** any alcohol on Club Property. They provide us with a terrific place to shoot as well as letting us use the Banquet Hall FREE OF CHARGE, in turn keeping our Shooters' Fees down. **PLEASE OBEY THE RULES.**

If there is 8 or more (as of Sept 21st) we will hand out Top 5 in that category. There will also be Top Men's and Women's Awards for the match. ### **Posse Marshall Walk Thru**

Posse Marshall Walk Thru will be **ONLY** for each Posse Marshall and Posse Deputy. Please do not expect to go thru the Walk Thru. Too many people leads to confusion. Posse Marshall and Deputies will be selected before the match. When we are going thru the walk thru, please keep quiet so the Posse Marshalls and Deputies can hear the instructions.

Thank you, everyone please have a safe trip to the range, see you there! We look forward to providing everyone with a great weekend at High Noon at Tusco 2021!
