End of Trail 2023

Enjoyed following the Ohio/Indiana crew as they went through EOT.

Good shootin' & Congratulations to all of them

And they brought home 7 world Championships.

Add in 3 former World Champs (Split Rail, Stone Creek Drifter, & Cheyenne Culpepper) and our smallish local Northern Ohio cowboy clubs do pretty well.

I'm sure they had lots-O-fun too!

These folks either shoot at Tusco regularly, or have shot at a recent High Noon!

My apologies if I missed anyone!

April 1, 2023 Monthly Shoot Weather Update

As of Sunday, March 26, the long range forecast for Midvale on Saturday, April 1 predicts Mid-50s and rain during shooting hours.

But, we set up under cover, so, come on out and join us for the 1st Spring shoot of the season.

Current plans are to set up 3 bays, and shoot them twice each, different scenarios of course.

So, load 'em up, and prepare to have some shooting fun!!

High Noon at Tusco 2023 Date Change

2023 High Noon at Tusco – September 29th, 30th, and October 1st

We have made the decision to change the dates of High Noon at Tusco 2023. Previously the dates were set for October 6th, 7th, and 8th, 2023. It was brought to my attention that the SASS National Championships, "Land Run" starts on October 7th with the opening ceremonies on Wednesday October 11th.

About 32% of our recent past attendees at High Noon will be shooting at the National Championships in Oklahoma. In an effort to help with travel plans for Land Run and to make it possible for those shooters to attend High Noon at Tusco, we have decided to move our match up one week to Friday, September 29th, Saturday September 30th, and Sunday October 1st. With there being five weekends in September this move was possible. The Tusco Rifle Club was very accommodating for us to make this move. This change is being made for this year only..right now.

I apologize if this causes any inconvenience with scheduling. We decided this was in the best interest of our shooters and for High Noon at Tusco.

Thank you for understanding.

Buckaroo Bubba

The Model 24 is a true hammerless gun, as opposed to having concealed hammers like most double guns, since it is striker fired. It was produced only as a field grade gun with blued receiver and barrels, wide 7/16" raised solid rib, smooth black walnut stock with lacquer finish, double triggers, and spring powered extractors that elevates the shells when the gun is opened. The forged steel receiver body of the Model 24 is rounded. The Model 24 was designed with two lumps, one centered beneath each barrel, leaving a tunnel of space between the two lumps. It has a clean breech face and is held closed by a single underbolt that engages a notch in the double barrel lumps. In the area between the 24's dual lumps is a cocking slide and the extractor. The Model 24 is about as wide through the breech and receiver as a SXS gun can be. The weight is about 7-1/2 pounds. It is a 12 Ga gun with 30" barrels. It measures 46-1/2" in overall length and has a 14-1/4" length of pull. Approximate drop is 1-1/2" at comb and 2-1/2" at heel. **\$500**

News & Notes

Six Stages

We shoot six stages at Tusco. A few people have told us that they drive a good distance to shoot at Tusco and would like to shoot as much as possible.

Obviously we only have room for five shooting bays. So what we do is shoot the first stage you start on twice. Consider it a warm up stage. Only five stages will be scored. You can take your best time on your first stage. If you don't want to shoot it twice you do not have to. This would provide more shooting for our shooters.

New SASS Magazine

With the new release of the SASS Quarterly Cowboy Chronicle, I once again would like to start collecting any unwanted issues of the magazine. We will use these for our promotional events, like our Tusco Long Riders' Day at Kames Sports. Please either black out or cut off your name and address or I will do it before they are passed out. Thank you!

Facebook Page

When you make a post about Tusco or share pictures on Facebook, include #TuscoLongRiders. Let everyone see what we are all about.

A little bit about us

Jim & I have always wanted a family of our own. Although we love our 5 fur kids, we long for a baby. After learning we were unable to conceive a child, Jim and I decided to pursue the adoption of a newborn. Adoption costs are astronomical (anywhere from 25k to 50k or higher) and although we were able to raise some with our savings, GoFundMe page, and church donations, we are still lacking the funds needed to apply for a match. We decided to take our love of crafting and open a side business to hopefully raise some more funds for our future family. Designs By Scamper is a tribute to our pup Scamper who passed away in 2015 from cancer.
